January 8, 2022

Hi Cristina,

This letter is in response to the Youth Day Amusement Ride contract extension, which the City is offering.

Big Fun, Inc. would like to extend the contract for the upcoming event, on March 5, 2022, if possible. Since we negotiated the current contract in 2020, the state permit fees for the event have increased by almost \$1,000.00. Insurance, transportation, and labor costs have also increased tremendously.

Our cost to produce the same event we had proposed, and set up for, prior to canceling in 2020, due to Covid, has increased by approximately \$4,850.00.

In order for us to stay within the budget, of the current contract, we would need to drop one of the rides. This wouldn't completely cover the increased costs, but it would come close, and we would absorb the difference. If you'd like to keep the same package of rides, then we would need to increase the actual cost by \$4,850.00, from \$24,985.00 to \$29,835.00.

We have absorbed increases in our costs, in the past. Due to the excessive increases in almost all categories of our business expenses, since March of 2020, we are unable to absorb them any longer.

Please call, or email me if you have any questions, or would like to discuss our options.

Sincerely,

Michael Doolan  
President  
Big Fun, Inc.
