RE: ITB# 122021, Automotive Parts and Batteries  
Bid Opening: December 20, 2021 1:30 PM

Dear Kerri,

O'Reilly Auto Parts thanks you for inviting us to provide a response for ITB# 122021 for Automotive Parts and Batteries. Enclosed you will find our prepared response in which O'Reilly is proposing to offer the City of Oakland Park a minimum discount of at least 41% off of List price for all automotive and heavy duty parts, tools, diagnostic equipment, paints, accessories and supplies available in our catalog. We have included our Line Card with our response along with a brief document regarding our online customer catalog: [www.firstcallonline.com](http://www.firstcallonline.com).

Should you chose O'Reilly as a supplier again, please send an award notification to [probids@oreillyauto.com](mailto:probids@oreillyauto.com) so that we can make sure to update the discount profiles to your O'Reilly accounts: 2620270, 2180370, & 2619074. We look forward to hearing from you.

We have noted and included the following exceptions in our bid response:

- Section I, Item 4(f),(g)
- Section I, Item 5
- Section I, Item 14
- Section I, Item 15
- Section I, Item 17

Regrettably, we are unable to participate in Groups A or B this time since, with the cost volatility in the automotive battery market, we cannot agree to hold prices firm for a year at a time per the bid specifications. As you know, O'Reilly Auto Parts is a provider of automotive and specialty batteries. We would happily off those to the City of Oakland Park at the same discount from List of 41% off or better.

Respectfully,

7. TERM OF AGREEMENT: The initial Contract shall be in effect from the date of Commission award for one year. Contract may be renewed annually for four additional one-year periods, at terms, conditions and pricing agreeable by both parties. Award of any contract is contingent upon appropriation of sufficient budgeted funds. The Bidder understands that this ITB does not constitute an offer or a contract with the City. A contract shall not be deemed to exist and is not binding until bids are reviewed and accepted by appointed staff, the best bid has been identified, and an agreement has been approved, and executed by parties the appropriate level of authority within the City.

The City of Oakland Park City Commission reserves the right to waive any informalities or reject any and all bids, in whole or part, to utilize any applicable State contracts in lieu of or in addition to this bid and to accept the bid that in its judgment will best serve the interest of the City.

The City Commission specifically reserves the right to reject any conditional bid and will normally reject those which made it impossible to determine the true cost of the bid.

13. DISQUALIFICATION OF BIDDERS: Any of the following reasons may be considered as sufficient for the disqualification of a bidder and the rejection of its bid:

Contractor shall not engage in or commit any discriminatory practice in violation of the Broward County Human Rights Act (Broward County Code, Chapter 162) in performing any services pursuant to this Agreement.

15. ~~DOMESTIC PARTNER BENEFITS REQUIREMENT: Effective November 7, 2012, Ordinance 2012-28, an ordinance requiring City contractors to provide equal benefits for domestic partners, was passed. The ordinance requires that all Contractors, with 25 or more employees contracting with the City of Oakland Park in an amount over \$100,000 provide benefits to domestic partners of its employees on the same basis as it provides benefits to employees' spouses and the children of spouses, with certain exceptions as provided by the ordinance.~~

17. INDEMNIFICATION: The Proposer will indemnify and save harmless the City and Broward County, its officers, agents and employees, from or because of any injuries or damages received or sustained by any person or persons arising from the negligence, gross negligence, or willful misconduct of the Proposer in the delivery of automotive parts, as contemplated by the Agreement. ~~during or because of any operations connected with the design, planning, investigation or construction of this project; or, by or in consequence of any intentional act, negligence (excluding negligence of City), concerning the same; or by use of any improper materials, design, work, construction or by or due to any act or omission of the said Proposer or its subcontractor, agents, servants or employees. The Proposer agrees to indemnify and save harmless the City from all such claims and fees, and from any and all suits and actions of every name and description that may be brought against the City due to any claims, fees, royalties or costs for any invention, copyright, or patent, and from any and all suits and actions that may be brought against the City for the infringement of any and all patents and rights claimed by any person, firm or corporation. The indemnification provided above will obligate the Proposer to defend, at its own expense, or to provide for such defense, at the City's option, any and all claims of liability and all suits and actions of every name and description that may be brought against the City that may result from the operations and activities under this contract whether the activities are performed by the Proposer, contractors, subcontractors or by anyone directly or indirectly employed by any of them.~~

19. DEFINITION: All references to Proposer will include the Contractor and all references to the Contractor will include Proposer.
20. TERMINATION FOR CAUSE: Any misrepresentation by the Proposer of its ability to perform the work described in this ITB places the Proposer in default and shall be just cause for termination of the contract. In such case, the City may award the contract to the next lowest responsible Proposer who can demonstrate the ability to perform the work, for the remainder of the contract period, or may rebid as the City may decide. In the event of such default and termination, any completed services performed by the Proposer under the agreement shall, at the option of the City become the City's property and the Proposer shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Proposer, however, shall not be relieved of liability to the City for damages sustained by the City by reason of any breach of agreement by the Proposer, and the City may withhold any payments to the Proposer for the purposes of set-off until such time as the amount of damage due to the City from the Proposer can be determined.
21. TERMINATION FOR CONVENIENCE: The City may terminate the contract, in whole or in part at any time for any reason by giving 30 days prior written notice, when it is in the best interest of the City. If the contract is terminated by the City, as provided herein, the Proposer will be paid for the work completed as of the date of termination. Upon receipt of the notice of termination issued under this section, the Proposer shall discontinue all work, cease any deliveries, shipment or carriage of goods, and make available to the Project Manager any and all reports, data, specifications, photos, estimates, summaries, and information as are required by the contract.
