

## PUMP STATION MAINTENANCE SERVICES, LLC.

---

February 15, 2022

City of Oakland Park  
Attn: Albert Carbon – Public Works Director  
3801 NE 5<sup>th</sup> Avenue  
Oakland Park, FL. 33334

Dear Mr. Carbon:

On March 31<sup>st</sup>, 2022 the “Lift Station Maintenance” Contract, ITB# 021618 terminates.

As per Contract, I would like to offer our services for a two-year extension to the Contract with no increases in the Contract prices. This will extend the Contract beginning April 1, 2022 through March, 31<sup>st</sup> 2024. I believe that the City Council can approve such a contract extension if it is in the “best interest of the City”.

If you have any questions please get back with me.

We appreciate working with the City, and look forward to your decision.

Cordially,

PUMP STATION MAINTENANCE SERVICES, LLC.
