

MEMORANDUM

Date: June 2, 2022

To: Andrew Thompson, Chief Financial Officer, Financial Services

From: Kerri Anne Fisher, Purchasing Manager 

Subject: Flygt and Ebara Wastewater Pumps – Sole Source Determination

Based on technical and operational requirements, the Public Works Department is requesting the purchase of Flygt brand wastewater pumps, parts, accessories, and service from Xylem Water Solutions USA, and Ebara brand wastewater pumps, parts, and accessories from Tom Evans Environmental. Use of this specific equipment is requested to ensure compatibility and consistency with existing equipment.

As shown in the attached letters from the manufacturers, Xylem Water Solutions USA owns Flygt and is the sole source provider of Flygt pumps, parts, accessories, and service within the State of Florida, and Tom Evans Environmental is the only authorized municipal distributor of Ebara products and parts in Broward County.

This memorandum serves as the written determination for the record that, after appropriate review, the proposed purchase qualifies as a sole source procurement in accordance with Sec. 2-198 of the Oakland Park Code of Ordinances.
