RE: Request to execute extension of 2018 Holiday Decorating Contract

Reference: Agreement Date: August 1, 2018
Resolution NO. R-2018-112
RFP # 07118

Dear Cristina:

It was great seeing you last week and I hope this letter finds you, your family and staff well.

The purpose of this letter is to request the extension of our "Holiday lights and Decorations" agreement, dated August 1, 2018, for the 2022 and 2023 Holiday Seasons as per article III of that agreement. The time frame of the extension is from August 1, 2022, through July 31, 2024.

Due to our recent significant increased costs, we are requesting a 5% price increase for the 2022 Holiday Season as per Item #13 of our contract agreement (see attached). I have also attached a copy of the CPI-U for Miami-Fort Lauderdale- Palm Beach and Highlighted the 7.1% increase of costs between December 31, 2020 and December 31 2021. We can provide proof our actual cost increases in labor, storage, transportation and insurance upon request.

The following cost summary represents a 5% increase from the 2021 holiday season.

1. City Hall	\$ 13,227.00
2. Main Street	\$ 10,798.00
3. Grand Plaza Jaco Patorius Park	<u>\$ 16,771.00</u>
Grand Total	\$ 40,796.00

Except for the extension and cost increase of 5%, all provisions of the Agreement will remain the same between the City of Oakland Park and Brandano Displays, Incorporated for the 2022 and 2023 Holiday Seasons.

Regarding the 11 poles on **Dixie Highway**; the Snowflakes, Banners and 40' Pole wraps between Oakland Park Boulevard and NE 38th Street, there will **not** be an increase in annual cost. The cost will be the same as 2021, \$7449.20.

Brandano Displays is pleased to have the City of Oakland Park as a customer and appreciate all the work you provide our company and our employees.

Please feel free to contact me anytime with questions at (800) 777- 6903 or on my cell at (954) 461-6598. E mail patbrandano@brandano.com

Very truly yours,

A handwritten signature in black ink, appearing to read 'P. Brandano', with a long horizontal line extending to the right.
