

Funding Opportunity

Resilient Florida Grant Program

The new program will support local, regional, and statewide mitigation planning efforts. FDEP will administer the program and accept applications for both planning and development projects that improve community resiliency to the impacts of flooding, sea level rise, and changes in the climate.

Application Deadline:	May 31, 2022 (Planning) September 1, 2022 (Construction) 100%
Contribution Match:	(Financially Disadvantaged Small Community-no match)
Total Program Funding:	\$200,000,000 (development funding) \$20,000,000 (planning)
Maximum Grant Amount:	No maximum grant (TBD)

TYPES OF PLANNING PROJECTS:

- Comprehensive plan amendments and necessary corresponding analyses that address the requirements of the Peril of Flood law.
- Vulnerability assessments that identify or address risks of flooding and sea level rise.
- Development of projects, plans, and policies that allow communities to prepare for threats from flooding and sea level rise.
- Projects to adapt critical assets to the effects of flooding and sea level rise.

TYPES OF DEVELOPMENT PROJECTS:

- Transportation assets and evacuation routes, including airports, bridges, bus terminals, ports, major roadways, marinas, rail facilities, and railroad bridges.
- Critical infrastructure, including wastewater treatment facilities and lift stations, stormwater treatment facilities 84 and pump stations, drinking water facilities, water utility conveyance systems, electric production and supply facilities, solid and hazardous waste facilities, military installations, communications facilities, and disaster debris management sites.
- Critical community and emergency facilities, including schools, colleges, universities, community centers, correctional facilities, disaster recovery centers, emergency medical service facilities, emergency operation centers, fire stations, health care facilities, hospitals, law enforcement facilities, local government facilities, logistical staging areas, affordable public housing, risk shelter inventory, and state government facilities.
- Natural, cultural, and historical resources, including conservation lands, parks, shorelines, surface waters, wetlands, and historical and cultural assets.
