Ms. Maggie Turner
Purchasing Manager
City of Oakland Park
3650 NE 12th Ave.

Reference ITB# 091520

Ms. Turner,

Evolvtec, has firsthand knowledge of all of the cameras, NVR/DVRs, antennas and monitoring system. We have been to every site, touched every camera and other devices. We know where all of the underground devices are located. We know all of the intricacies of the wiring and layouts of every single cable, switches and NVR/DVRs. We are knowledgeable in working with Comcast your current ISP for all cameras.

Our headquarters is located less than 5 miles from the City Hall, we are local and can meet the stringent service levels requirements of this bid. We understand the importance of the web cam working at all times as the community is watching this every day.

We have developed a monitoring and alert system that emails our call center, that a camera or a site is down, this email also is sent to staff members at the City of Oakland Park. This has proven very successful in send us alerts so we can address issues quickly.

There simply cannot be another company that has the experience, knowledge and know how that we have at Evolvtec, when it comes maintaining and support of your security cameras and devices.

We truly enjoy working with the IT staff and Mr. Curry to keep everything up and running.

We sincerely appreciate the opportunity to continue to work with you, your organization and your community.

Sincerely

Greg Blang
CEO

Letter of Interest

EvolvTec (a dba of BLM Technologies of Florida, LLC.) ("EVOLVTEC") has over forty years of history of providing services to its customer base through predecessor companies. EVOLVTEC acquired a portion of the assets of BLM Technologies, Inc. in 2008. EvolvTec has an extensive experience in providing a broad range of computer services including maintenance, installations, logistics, moves, adds and changes to a broad customer base. EVOLVTEC, through the above predecessor companies have been providing the services specified under this ITB to Florida State agencies as well as County and City Governments, for over thirty years.

EvolvTec is currently providing similar services as listed in this ITB for cities and departments located in the State of Florida such as the Town of Fort Myers Beach and the Florida Legislature.

EvolvTec has met and exceeded the requirements that had been set forth in the contract with the Town of Fort Myers Beach. We have been providing services listed on this contract many governmental agencies.

EvolvTec (a dba of BLM Technologies of Florida, LLC) is listed with the Department of State Division of Corporations and our status is Active.

Jim Jones, our VP of Engineering Services, will be the primary contact for the City of Oakland Park, his phone and email contact info are as follows: 954-587-5521 x 250

Proposal Response

Technical Knowledge and Competence

EvolvTec has over 40 years of providing expert technical support to a large range of organizations in the Florida marketplace. We are certified partners with Dell, Microsoft, SonicWall, HP, Lexmark and others. Many of our technicians have been with EvolvTec more than 10 years, with some more than 30 years, so you can expect a high level of expertise from experienced professionals. Our Customer Engineers undergo several hours of additional training every year on the newest hardware and software to ensure that EvolvTec can provide the highest level of support service to our customer and to ensure that we can resolve any issues as quickly as possible.

Our approach to providing service is broken down into several levels. The first is the highly qualified expert that we will have on-site at your organization that will provide hands-on and remote support to your users on all of the covered equipment and systems.

Second, our expert helpdesk stands at the ready to provide additional assistance to your users so that if the on-site technician is otherwise engaged, your users will still be able to receive support for their issues using cutting-edge remote support tools and our many years of experience in providing remote support.

Service Orientation and Professionalism

EvolvTec has been in the IT support industry for over forty (40) years through various name changes. We have been the 'go to' IT Company for many State Agencies and Departments, and County and City governments. We provide a wide variety of services to them, from traditional 'break fix' services, true maintenance services, managed print services, managed network services, structure cabling, VoIP and IP Security Solutions as well as customized solutions tailored to meet the customer's needs. EvolvTec currently services our customers out of 8 offices, located in Ft. Lauderdale, Jacksonville, Tampa, Orlando, Tallahassee, Ft. Myers, Ocala and Pensacola. This allows us to be on-site to any of our customers in two hours or less. And all of these offices are backed by our help desk that provides world-class phone and remote support 24 hours a day, 365 days a year.

EvolvTec is led by Greg Blanc, President in our Ft. Lauderdale office, Jim Jones, Vice President of Engineering Services in our Tallahassee office. We also have supervisors in each of our 8 offices overseeing the deployment of our over 20 Customer Engineers.

EvolvTec employs the latest customer service and support systems available in the market. This allows us to provide rapid response to our customers and the fastest problem resolution possible. Our systems allow us a great deal of depth in understanding our customer's systems and this understanding allows us to provide the best support and guidance available. Using

these systems, we can streamline hardware and software deployments and provide an over-all better experience for our customers.

We have and currently are providing IT support services to the City. We will continue our remote support services allow us to inventory and monitor all of the hardware and software systems and facilitates changes to be made to the cameras during the duration of the contract. And, of course, we would review all hardware to ensure everything is in good working order. We will work with the City to identify any changes or upgrades that are needed, provide procurement services as needed and develop budgets for any future IT plans or projects.

Simply put, we will be assessing all of your systems, evaluating the best solutions and recommending the proper solution.

EvolvTec is currently providing these support services to those that are listed on this ITB for the City of Oakland Park.

All EvolvTec Customer Engineers have undergone Criminal Justice Information Systems background checks and all have the IT Vendor Certification currently, as this is a requirement for many of our existing customers. We also insist on drug tests for all of our employees.

EvolvTec has thoroughly reviewed the ITB and has a good understanding of the requirements and needs that the City of Oakland Park have put forth. EvolvTec does not have any relationships with any Commission members, their families, nor any business(s) that they may own.

EvolvTec understands and agrees to the following definitions and duties:

"1st Tier Support" shall mean support provided by designated Onsite IT Service Technician and shall consist of the first point of contact for customer support. The **1st Tier Support** will create a record of all requests and actions including a determination of whether the reported trouble/issue is technical or operational, and shall resolve operational issues and respond to questions concerning the use of the system. Technical issues that cannot be resolved by the 1st Tier Support Person shall be reported to the **"Help Desk"** which will review the ticket and determine the proper escalation point as needed or assist in resolution.

"2nd Tier Support" shall mean support issues that have escalated to our tier 2 engineer by the designated Onsite Services Technician. All technical issue not resolved by 2nd Tier Support shall be reported to the 3rd Tier support for resolution.

"3rd Tier Support" shall mean support provided by the vendor/manufacture customer support, and shall consist of technical issues determined to be caused by the application or hardware. Services are to include but are not limited to:

- **Server Management** Provide preventive, diagnostic and remedial support to maintain the Town's servers, including performance of daily, weekly and monthly backups.

EvolvTec will manage the Town's server hardware, software and related systems to ensure City of Oakland Park has a quality, secure, high performance, reliable system. EvolvTec will conduct scheduled preventative maintenance services for the IT equipment and will develop and enact plans for back-ups and will provide procedural documentation. EvolvTec will setup new users, modify existing users on server. EvolvTec will monitor the Server performances as well as providing capacity management services.

- **Service Desk Support:** Support for desktop computing hardware devices and associated operating system software, laptop computer, local and network printers, scanners, copiers and hand-held computing devices. EvolvTec will provide the support necessary to perform the following:
 - Installation services for PC's, Laptops, Printers and Software.
 - Identify and correct hardware problems and perform advanced troubleshooting.
 - Repair, update and upgrade all of the Cities computers as needed and approved by the Town's manager.
 - Assist the City of Oakland Park in software and hardware purchases

Additionally, EvolvTec provides a remote helpdesk that prioritize and respond to service requests from Town's staff, responding after normal business hours as situationally required.

-
- **Network Support:** Services and activities required to provide and support the Cities computer network environment, including LAN, wireless networks, switches, firewalls, routers and other network security equipment, VOIP and internet domain name management and, coordinate all scheduled maintenance. EvolvTec will monitor network performance and make changes as needed. This activity includes the oversight, supervision, and management of all City of Oakland Park Wi-Fi public hot-spots.
 - **Emergency Services** – While not specifically in scope for this ITB, EvolvTec will provide emergency technical, communication, and IT support services in the event of emergency situation. EvolvTec currently provides 24 hour 7 days a week support for several of our customers currently.

We have in the past provided Emergency Services for the Department of Corrections when their facilities were impacted by several hurricanes. We provided both hardware and technical services to them throughout the State. This reduced the amount of 'down time' that impacted not only the Department but other Law Enforcement agencies across the State.

- **IT Project Management** - EvolvTec has the resources needed to support multiple projects simultaneously. Our project managers have the experience to serve as a liaison between the Cities teams and other vendors in order to guide the project to completion, meeting budget and time forecasts. City of Oakland Park will be provided status reports as needed throughout the life of the project.

Scope of Work

1. **Repairs/Corrective Maintenance** – EvolvTec will provide the necessary equipment, labor and supervision necessary to return the affected system(s) to normal operation. EvolvTec will also provide the replacement materials and parts needed to repair the affected system(s). EvolvTec will have a trained engineer within in the four (4) hours after being notified of emergency need or within two (2) business days for non-emergency needs in accordance with the terms of this Contract.
2. **Preventive Maintenance** – EvolvTec will perform inspections, cleaning, performance checks, and consumable replenishment or replacement, and system calibrations. EvolvTec will provide a breakdown of recommended preventive maintenance activities and schedule for City approval.
3. **Renewal and Replacement** – If EvolvTec, through the result of either corrective or preventive maintenance discovers deficiencies, and the correction or resolution of such deficiencies requires a level of effort or expenditure beyond the tasks specified and authorized in the Purchase Order Form, EvolvTec will submit to the City a proposal for the additional work necessary.
4. **Provision of Material and Parts** – EvolvTec will provide the necessary materials and replacement parts for both corrective and preventive maintenance. These parts and materials will be Billable to the City under the terms listed in this ITB (paragraph D4).
5. EvolvTec will provide the technical and programming services a required to troubleshoot and optimize the City's existing video surveillance systems. These services shall be included in the Flat Monthly Fee unless prior approval is obtained from the City.
6. EvolvTec will provide detailed documentation and diagrams to the City when installing a new system or significantly altering an existing one. The documentation requirements will be agreed upon with the City per project. All EvolvTec supplied documentation shall be considered work-for-hire and will be the property of the City.
7. EvolvTec will provide technical support such as cost estimates, recommend actions of repair versus replacement, life expectancy, and maintenance recommendations at no additional costs to the City.
8. EvolvTec will provide 24x7x365 technical telephone support services as required. At the start of each telephone support session, EvolvTec will assign an Incident Number and log the start time and completion times.

Quantities and Devices

The quantities and location of devices is shown. The quantities are accurate as of the time of this ITB. As the number of devices increases or decreases over time, EvolvTec and the City will change the Monthly Flat Fee to reflect these changes. When new devices are installed, they will be added to the Monthly Flat Fee the first month after they become operational.

Emergency Services

1. Emergency Services are those services initiated during non-normal business hours and/or requiring priority response. Emergency Service shall be billed at the scheduled hourly rates plus emergency service multiplier. Planned or scheduled work during non-business hours shall not be considered emergency service and shall be invoiced at the normal scheduled rates.
2. Normal Business Hours under this agreement are Monday through Friday, 0600 through 1800 hours, excluding published City holidays.
3. EvolvTec shall maintain a 24-hour, 365 day answering service for incoming services calls. All service calls shall be logged and the log shall be submitted to the City on a monthly basis.
4. Repeated failure to meet established response times will be considered as grounds to terminate this agreement.

Obligations of EvolvTec

1. EvolvTec will provide the City with a monthly schedule for all planned work and reschedule such work when notified by the City that the work cannot be performed at that time. EvolvTec will not be compensated if work cannot be performed due to foreseeable circumstances.
2. EvolvTec shall employ professional, qualified, and responsible service technicians to perform the work. EvolvTec will employ service technicians trained in the maintenance and installation of the specific types of equipment used in the City video and security systems.
3. EvolvTec will maintain a neat and clean workspace both during and after the performance of work. All trash will be removed from the site and deposited as appropriate. Any fireproofing, caulking, or other materials that must be removed for the installation or performance of maintenance will be reinstalled or repaired as appropriate. Ensure that necessary markings are installed where appropriate to identify new circuits, cables, or equipment as applicable.
4. EvolvTec will observe all City site access and security procedures. As these procedures are subject to change, EvolvTec is responsible for familiarizing the service engineers with current requirements; violation of site access and security procedures is a serious breach of the terms of this Contract. Failure to notify the City personally and properly as required is a violation of the terms of this Contract.
5. Maintain documentation of all work performed under this Contract on forms provided or approved by the City. All such documentation will become the property of the City of Oakland Park upon termination of this Contract. Invoices submitted by EvolvTec

will not be approved for payment unless written documentation of all work for which EvolvTec seeks payment are attached. At the minimum, documentation will include:

- a. EvolvTec name, complete address, and contact information
- b. Date, time, and location of site visit
- c. Reason for site visit
- d. Brief description of work performed or accomplished
- e. Any observed deficiencies or operational issues and recommendations for resolution
- f. Required or recommended follow-up
- g. Parts and/or consumables used
- h. Labor hours, if billable
- i. Participating EvolvTec personnel
- j. City of Oakland Park Purchase Order number
- k. Approval by EvolvTec Operations Manager

All work performed will be certified as complete by the project requestor or delegated evaluator prior to payment of the invoice.

Warranty

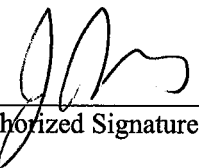

All projects and work performed under this agreement shall have a minimum of 24-month parts and labor warranty. Should the manufacture's warranties exceed 24 months, the manufacturers' warranty shall prevail with only the Contractor's normal labor rates being charged after the initial 24-month period.

EvolvTec has been providing this scope of work to the City in the past and currently, and are looking forward to continuing our relationship with the City.
