

Study Area

Major barriers to access, mobility, and economic development that have been created between and within these municipalities include:

- Interstate 95, SR 816/Oakland Park Boulevard, State Road 811/North Dixie Highway
- Along with other local facilities such as SR 845/Powerline Road, North Andrews Avenue, NE 6th Avenue, and NE 26th Street, have created a significant barrier for the adjacent communities.

LOW INCOME (NATIONAL PERCENTILES)
