- C. To the extent allowed by §725.08, Florida Statutes, the CONTRACTOR shall indemnify and hold harmless City and its officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR and other persons employed or utilized by the CONTRACTOR in the performance of the Agreement.

Oakland Park Commerce Property Public-Private Partnership Proposed Term Sheet and Issues for Discussion

PROJECT OVERVIEW:

The City of Oakland Park respectfully encourages the Florida Department of Commerce to consider supporting a transformative public-private partnership (P3) centered on the approximately 5-acre state-owned Agency for Workforce Innovation site within Oakland Park's emerging westside corridor. This opportunity provides a framework through which the State, City, and private sector can collaboratively reposition an underutilized public asset into a catalyst for long-term economic growth and community investment.

As part of this concept, the City would enter into a Purchase and Sale Agreement with The Department of Commerce to acquire nine (9) parcels located along West Oakland Park Boulevard as listed below.

The term sheet below is offered for discussion:

Closing Costs	Title Insurance, doc stamps, and closing agent fees shall be paid by the City.	
Career Source Broward Provisions	a) The City will enter into a lease agreement with CareerSource Broward for its current location. The Lease Agreement will honor the current rental rates for the Career Source Broward offices, for a maximum period of 18 months after closing on the property. The location shall be provided on a “as-is” basis, CareerSource assumes financial responsibility for all operational costs and supplies, repairs, insurance, utilities, security, property taxes (if applicable) and maintenance. b) During the 18- month continuity period the City will work with CareerSource Broward to evaluate suitable occupancy opportunities and rental structures that meet the needs of CareerSource operations; c) One potential option for longer term tenancy for CareerSource Broward is City owned property located at 5399 N. Dixie Hwy. This location has approximately 10,690 SF and 70 dedicated parking spaces should CareerSource wish to pursue this option the city proposes the following essential terms for occupancy of the 5399 location: • Term: Five (5) years from commencement at a rate of \$18 SF NNN (billed annually), with opportunity to extend at the end of the term. • Annual base rent will increase on each anniversary of the commencement date by 1% over Consumer Price index (CPI), not to exceed 4%. If redevelopment concepts are achieved on the west Oakland Park Blvd site, discussions will occur with prospective development partners. Developer Solicitation Milestone	The City shall implement a strategy modeled after prior successful redevelopment efforts to determine the development proposal in the best interest of the City and the developer. The process will likely include: solicitation of prequalified development teams, selection of a preferred partner, expedited negotiations, and execution of a development agreement.	
Financial Feasibility Contingency Clause	The City's obligation to close shall be contingent upon its continued determination that the proposed redevelopment of the Property remains economically feasible and consistent with the City's public redevelopment objectives. In the event of changes to applicable federal or state laws, incentive programs, regulatory actions, property tax amendments, or other material circumstances that adversely affect the economic feasibility of the proposed redevelopment, the City reserves the right to renegotiate the sales price or terminate the Purchase and Sale Agreement without further obligation.

This letter represents the proposed terms for purchasing the Property for potential public-private partnership (P3) and municipal redevelopment uses:

1. Purchase of the Property and Price. The Seller agrees to convey the Property to the City for a total purchase price of \$6,200,000 for all nine (9) parcels, which includes any Broker's fee. The purchase price is subject to an independent appraisal in accordance with Section 166.045, Florida Statutes, which shall be commissioned within fifteen (15) days of the execution of this term sheet.

2. In the event the terms as proposed in this Letter of Intent are in concept acceptable to both the City and the Department, then in that event, the City will prepare a Purchase and Sale Agreement with the following terms.

- a) Earnest Money Deposit. The City shall pay a deposit representing 3% of the total sale price as Earnest Money, to be held in escrow with Goren, Cherof, Doody & Ezrol, P.A., within fifteen (15) days of full execution of the Purchase and Sale Agreement. The Earnest Money shall be refundable in the event of the Purchase and Sale Agreement is terminated prior to the expiration of the Inspection Period.
- b) Due Diligence Period. The City shall have a sixty (60) day inspection period during which it may conduct title review, environmental assessments, surveys, and other necessary reviews. The City retains the right to terminate the Purchase and Sale Agreement prior to the expiration of the Due Diligence Period.

3. Closing Costs. Update the Title, Title Insurance, documentary stamps, if any, and closing agent fees shall be paid by the City.

4. CareerSource Broward Tenancy. The City will enter into an amended lease agreement or a new lease with CareerSource Broward for its current location at existing rental rates for a maximum "continuity period" of eighteen (18) months post-closing, on an "as-is" basis with operational costs, repairs, insurance, utilities, security, property taxes (if applicable) and maintenance expenses borne by CareerSource. Longer-term occupancy options (including space at 5399 N. Dixie Hwy or potential space within the redeveloped site) will be evaluated in good faith.

5. Financial Feasibility Contingency. The City's obligation to close shall be contingent upon its continued determination that the proposed redevelopment of the Property remains economically feasible and consistent with the City's public redevelopment objectives. Upon review of applicable laws, incentive programs, regulatory actions, property tax amendments, or other material circumstances that adversely affect economic feasibility, the City reserves the right to renegotiate the purchase price or terminate the Purchase and Sale Agreement without further obligation.

6. Closing Deadline. Closing shall occur on or before December 18, 2026.

7. Conditions of Closing. Closing shall be conditioned upon the City Commission's approval of the Purchase and Sale Agreement.

ATTENTION: Andrew Collins, Chief Operating Officer

8. Title. Title to the Property shall be free and clear of all liens.

9. Non-Binding. This Letter is intended to be non-binding on either party and is merely an expression of the parties' interest in entering into a transaction, including the potential business terms upon which they may do so. There shall be no binding agreement between the parties unless and until both parties have executed and delivered a definitive, binding Purchase and Sale Agreement for the Property in compliance with the City Code.
